### Principal's Message

February was *"I Love to Read"* month and the staff and students of the school organized some memorable and fun activities. We hope that you were able to celebrate the importance of reading in your home over the month.

Report cards will be going home on March 12th, I am looking forward to reading our grade 1-8 students' report cards. Parents are encouraged to maintain regular contact with their child's teachers throughout the year.

We look forward to chatting with all our families during the parent conferences on the evening of March 14th and the morning of March 15th.

Appointments for Student-Led Conferences may be scheduled through <https://jacuddy.schoolappointments.com> beginning on March 5th.

We hope that you also take some time after your appointment to talk with your child to help them reflect on their achievements, identify goals to strive for, and share their proudest accomplishments.

**I encourage all parents to continue to attend our PAC meetings. The next PAC meeting will be on March 18<sup>th</sup> at 8:00 pm via Zoom, we look forward to seeing you during the meeting.**

Please continue to visit our school website for the latest updates on school events. I hope everyone enjoys the last month of the second term, remember **spring is just around the corner.**
